SUBJECT: Grand Jury Report on Detention Facilities of San Diego County

The Honorable Wayne Peterson:

I have received a copy of the 1999-2000 San Diego County Grand Jury Report regarding the various "Detention Facilities of San Diego County." As part of their report, the Grand Jury has recommended (Recommendation 00-61) that the Chula Vista Police Department rearrange the juvenile holding room to prevent juveniles from being observed from the front lobby/reception area.

Pursuant to Penal Code Section 933.05, the Grand Jury's recommendation has been implemented. I have attached for your review two photographs that depict both before and after views of the juvenile holding area. We have placed a permanent panel that blocks any view of the holding area from the front lobby/reception area. This panel meets the recommendation as outlined in the Grand Jury's report.

If you have any questions, comments or concerns, please feel free to contact me at (619) 691-5209.

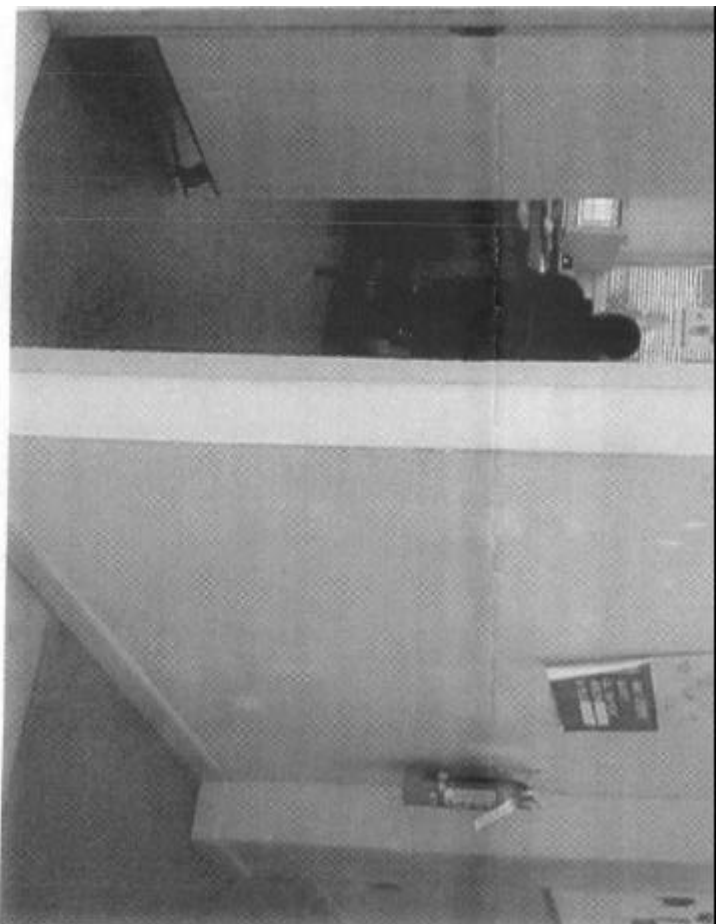

Sincerely,

JIM ZOLL
